Bethany attended Our Lady of Faith Catholic Homeschool from the age of six until 4th grade and then from 8th grade through the end of high school. She excelled at most subjects. Her curriculum mainly consisted of content from Catholic Heritage Curricula and Easy Peasy All-in-One Homeschool + Highschool. (Links for both)

Bethany started attending Metropolitan Community College in January 2018 while still a senior in high school. She is majoring in early childhood education, and she loves her classes!
